JOIN ICA. BE AN ADVOCATE. EDUCATE. SAVE LIVES.

Millions of people in the world suffer from famine, have no access to medical care or are held in slavery to the horrors of sex-trafficking and forced-prostitution of children. International Crisis Aid believes that the academic world and children can play a significant role in the elimination of these tragic human conditions. ICA invites you to partner with us in this cause to relieve the suffering of millions who are without a voice or help. Help ICA develop a “movement” that will become a lifelong world phenomenon.
