

Because love has no boundaries

Dear Volunteer Applicant,

Thank you for contacting International Crisis Aid regarding potential volunteer opportunities. In order to best serve each other, we would ask you first complete a volunteer application to be reviewed for consideration.

To begin the application process to volunteer in the ICA office, please fill out and return the attached Application along with a one-page Essay stating why you would like to volunteer, in what capacity, why you should be accepted, area you would like to serve, and your availability.

If you are applying to serve in one of our international programs, we will also need a completed Medical History, Physician's Evaluation, References, Liability Release, Trip Indemnity Waiver, and a scanned color copy of your passport. These forms allow us to get to know you, ensure that your health care needs can be met during your term of service and create the best volunteer experience for you and the people we serve.

Please be sure to:

- Complete all forms in black or blue ink. Print clearly.
- Make a photocopy of your application for your records.
- Return all forms to:

Thank you for understanding we are unable to approve every request and will fill openings based on applicant qualifications and program needs. Please do not book flights or obtain further vaccinations until you have received your approval and acceptance letter.

Should you choose to serve with ICA in any capacity, we trust you will find the experience both rewarding and life changing. Thank you again for your time and dedication to serve.

Sincerely,

International Crisis Aid
