A Generation of Love
YOUR 2019 CRISIS AID GRATITUDE REPORT
Helping the Helpless

You are part of a special group of people. When you see someone in pain, broken and suffering, you stand together and take action. Thank you for being there for the innocent and vulnerable.

Over the past year, your caring and compassionate support has saved so many lives. Starving children are now healthy and whole. Young girls have been rescued from a life of sexual slavery. Entire families are gaining the skills and knowledge to transform their lives and the lives of generations to come.

In the following pages, you’ll learn more about the incredible impact you’ve had. And you’ll meet Zuri, a beautiful young girl whose life you saved.

The work we do is only possible because of your love and faith. Thank you for being such an important part of the Crisis Aid family.

God bless you.

Pat & Sue Bradley
My name is Zuri and I am six years old.

I want to say thank you! You saved my life, and you also saved the lives of so many of my friends and family.

I live with my parents, brothers and sisters in a small mud hut in East Africa. We have a small plot of land with a few coffee trees on it and my father sells that coffee to make a little bit of money.
I remember the day that I met Pat and the others.

I’d never seen anyone who looked like them before, but their smiles were wide and kind. I was so weak that I could barely stand, so they crouched down next to me.

They told my parents how concerned they were and that they wanted to take me to the hospital. My parents said yes so they drove me there. Everyone was so nice and they helped me get better. And before I knew it I was able to go home!
I was so sick. I had trouble breathing and had diarrhea all the time. I couldn’t believe how much better I started to feel with food in my belly!

It wasn’t long before I was able to laugh and play with the other children in my village.

Now that we’re all feeling stronger, my father and his friends are helping to build a dairy farm. The profits will go into the construction of a new hospital, but we’ll also be able to sell some, too!

I am so thankful. Before, so many of us were sick and dying. We had no medical care and no hope. Now, because of you, we’re healthy and strong and excited about the future.
Thank you for standing up for humanity. You touched the lives of 180,986 people and distributed over 1.6 million pounds of food in 2019!

**EAST AFRICA - 2019**

**Nutritional Feeding Program**
- You served 162,744 people, including over 17,236 severely malnourished children, a total of 6,150,960 meals (1,483,931 pounds).

**Health Programs**
- You treated 32,468 patients.
- This includes 5,324 patients through the Hand of Hope Medical Mission Trip.

**Children Support Programs**
- In addition to feeding malnourished children, you supported 126 other children:
  - 78 from the community
  - 31 from the Children’s Home
  - 17 from your Refuge Homes

**Refuge Home** (for Sex Trafficking Victims)
- You provided a safe and loving home for 32 girls and their children. 15 joined the Refuge Home this year.
- You assisted 20 girls through your Phase 2 Transition Program and 52 girls through other community based programs.

**Mercy Chapel**
- You provided a vocational education to 100 girls, of which 80 have now graduated and moved toward a better life.
- Once a brothel, Mercy Chapel has been transformed into a vocational school where girls can escape sexual slavery and learn a new trade.

**Dairy Farm**
- You have placed a Dairy Farm in a remote area of East Africa. Over 30 cows are now producing milk which is being sold. This income is designed to fund a portion of the operating expenses for your Pediatric Hospital being built in this same area.

**Your support in action!**
Zuri is just one person of so many that you’ve touched over the past year. There are hundreds more stories just like hers. What ties them all together is this: before you made a difference in their lives, they were helpless and forgotten. Many of them had given up. Instead of a spark of hope in their eyes, you only saw hopelessness.

Thank you for standing up for humanity. You touched the lives of 180,986 people and distributed over 1.6 million pounds of food in 2019!

Our Mission

Our mission is to assist in sustaining life, bring encouragement to those suffering and collaborate with other relief organizations in bringing necessary foods, materials and medicines to people in times of crisis, particularly where life and death situations exist. Demonstrating God’s love and care for people is our highest and most cherished goal.

Often we respond during times of natural disaster, famine, war, or other crisis by coordinating emergency relief distributions to provide food, water, blankets, and other critical supplies. Several of our emergency relief projects have since turned into long-term development projects.

We exist to save lives, save souls and change futures.
Our Promise to You

Here at Crisis Aid, we recognize that you are not giving to us. Instead, you’re giving through us to make a difference in the lives of vulnerable people the world over.

We are firmly committed to being accountable and good stewards of funds entrusted to us by our donors. We consider the management of those resources a sacred duty to God and our donors. We promise to use your gifts wisely and effectively.

As such, every dollar you give is put directly to use in making a difference. We keep our overhead low, and our transparency high, so that you, our faithful supporters, can drive impacts and outcomes for the people who need it the most.

We are simply the trusted temporary custodians of the change you want to see in the world: a change from hopelessness to hope, and from despair to joy.
